

## EXCELLENT CHRISTMAS LUNCHES

Yule be amazed we served 10,800 Christmas lunches in our primary schools this year! We would like to thank everyone for a truly outstanding efforts for their Christmas lunches. All teams went to an amazing effort to delight and make this their Christmas lunches the best ever. Not only did the teams dress up to the nines, we also had a bumper input to Paul's Friday Flyer with three weeks of exceptional Christmas lunch pictures, sites brought some lovely individual touches to make their clients and us very proud. We couldn't narrow down teams for Shining Stars this year as everyone was just so brilliant, all unit managers received a £20 Amazon gift voucher as an extra thank you for all their hard work.

We would just like to highlight some great ideas which make Accent so special and individual, all our managers go the extra mile to delight their clients and customers.
