

EXCELLENT CHRISTMAS LUNCHES

Yule be amazed we served 6,900 Christmas lunches in our Secondary Schools and Academies this year! We would like to thank everyone for a truly outstanding effort for their Christmas lunches. Not only did the teams dress up to the nines, they all made homemade cranberry sauce and homemade apricot and cranberry stuffing. We also had a bumper input to Paul's Friday Flyer with three weeks of exceptional Christmas lunch pictures and all sites brought some lovely individual touches to make their clients and us very proud. We couldn't narrow down teams for Shining Stars this year as everyone was just so brilliant, all unit managers received a £20 Amazon gift voucher as an extra thank you for all their hard work.

Although not pictured below, The Skinners Kent Academy served 374 lunches, Alfriston 196 and Ark William Parker served 93 lunches.

We would just like to show you some interesting pictures which make Accent so special and individual, all our managers go the extra mile to delight their clients. Thank you.

WEALD OF KENT - OUTSTANDING 954 LUNCHES
