

# SHININGSTARS - B&I & INDEPENDENT

JAN2017

## STAFF RESTAURANT CHRISTMAS LUNCHES

We would like to thank all of our Business and Industry staff restaurants for a truly outstanding effort for their Christmas lunches. All teams went to an amazing lengths to delight and make their Christmas lunches the best ever. Not only did the teams dress up to the nines, we also had a bumper input to Paul's Friday Flyer with three weeks of exceptional Christmas lunch pictures and all sites brought some lovely individual touches to make their clients and us very proud. We couldn't narrow down teams for shining stars this year as everyone was just so brilliant, all unit managers received a £20 Amazon gift voucher as an extra thank you for all their hard work.

Thank you to all the Business and Industry units who prepared and served 1,100 Christmas lunches, including: The Royal British Legion Poppy Factory, Honda, Battersea, Costain Maidenhead and Costain Manchester, Aylesbury Vale District Council, Burnham Lodge, Borovere and our newest Business and Industry contract which opened in December, MacDermid. Well done to everyone.

The Cavendish School lunch was very tasty and extremely well received.

Soula and the team making the homemade cranberry and apricot stuffing and homemade cranberry sauce, also the first Gingerbread house we witnessed along with homemade yule log for the pupils to enjoy.

Michelle and the team at Arnold House, who not only put on a stunning lunch but also supported the PTA after lunch with mulled wine and hot chocolate for their Christmas fayre.

Devonshire House School for homemade cranberry and apricot stuffing, homemade cranberry sauce, homemade chutney the two mushroom veloute soup and our very own recipe for chocolate and marshmallow brownies which went down a treat!

Dionne at Fitzjohn at Devonshire House whose food was amazing.

Ewell Castle's Christmas lunch tasted better than most people's Christmas Day lunch, what an achievement!

The team at Somerhill produced a formidable seven recipes from Paul's Christmas recipe booklet including the homemade cranberry sauce and homemade cranberry and apricot stuffing. Philip and the team also made the homemade bread with the two mushroom veloute soup, celeriac dauphinoise, Christmas fruit cake with polenta and chocolate marshmallow brownies.

The sizeable Gingerbread mansion from Sevenoaks Prep School with an amazing Christmas lunch to match. The celeriac dauphinoise was particularly good. On the run up to Christmas to top this, Michelle and the team did an elf yourself dance routine on the TV screen which was hilarious and kept the pupils very amused.

A special mention also to Hallfield, Lyndhurst, Pennthorpe, SouthBank International, Eversfield, Lyndhurst Camberley and Claremont Fan Court who cooked a staggering 930 reputation-enhancing Christmas lunches offering both roast turkey and honey roasted ham!

Also, well done to Blackheath Senior and Junior School for their first Accent Christmas and what a success it was!
